

2026–2027 Writing Instruction Planning Checklist

For District & School Leaders

Thoughtful planning now ensures a smooth, confident start to writing instruction.

Reflect & Assess

- ☐ Assess school/district-wide needs for writing instruction support
- ☐ Review writing outcomes and assessment data
- ☐ Identify strengths and gaps across grade levels
- ☐ Consider feedback from teachers, coaches, and administrators

Strengthen Writing Practices

- ☐ Establish or reinforce a shared language for writing instruction
- ☐ Support consistent implementation across campus and district
- ☐ Identify coaching or leadership structures to sustain an implementation

Ensure Curriculum & Pacing Alignment

- ☐ Review writing curriculum alignment to standards and assessments
- ☐ Adjust pacing guides to support skill development and practice
- ☐ Ensure vertical alignment across grades

Prepare for a Strong Start

- ☐ Set clear school/district-wide writing priorities for 2026–2027
- ☐ Plan and schedule **customized professional learning** aligned to district goals
- ☐ Discuss and determine resource needs for 2026–2027 / Request Quotes
